

# LOOK for the WaterMark

...by searching the WaterMark database.

In Australia, most plumbing and drainage products must be WaterMark certified. The WaterMark means that products are safe, fit for purpose and suitable for use.

Look for the **W** before you buy or install plumbing and drainage products at:  
**[watermark.abcb.gov.au/look](http://watermark.abcb.gov.au/look)**

WaterMark is a registered certification trademark owned by the Australian Government, and the State and Territory Governments of Australia.
